Broadcasting Commission Saddened by the Passing of Veteran Broadcaster Michael Sharpe

The Broadcasting Commission is saddened to learn of the passing of veteran broadcaster Michael Sharpe. He has definitely left a void in the broadcasting sector.

Sharpe, most known for his work with the RJRGLEANER Group, had been a major player in Jamaica's media landscape for more than 35 years. Among his many achievements, Sharpe is recognized for training many of Jamaica's present fleet of journalists and videographers.

We extend condolences to his family, the RJRGLEANER Communications Group and his colleagues in the broadcasting industry.
